

**CITY TOTALS BY MONTH**  
(APRIL - AUGUST 2020)  
TAX DUE

The statistics used by Travel South Dakota in this workbook are the Municipal Gross Receipts Statistics by County and by Processing Date. Please note that this may differ from the actual deposits your municipality receives. This can be explained by amended returns in future months and late filers. Late filers sometimes file more than one return in the same month. Travel South Dakota receives reports monthly from the South Dakota Department of Revenue. Up-to-date municipal tax information can be found on the [Department of Revenue's website](#). If you can show harm with actual revenue deposits your municipality received, we recommend submitting that.
