

A scenic view of a rocky landscape, likely a national park in South Dakota. The foreground and middle ground are dominated by light-colored, layered rock formations with sharp, pointed peaks. Two hikers, a man in a blue shirt and a woman in a yellow jacket, are walking along a narrow ledge on the left side of the frame. The sky is a deep blue with some light clouds. The overall atmosphere is one of natural beauty and adventure.

FREQUENTLY ASKED QUESTIONS

FREQUENTLY ASKED QUESTIONS

→ **How do people get their prizes?**

Once visitors have checked into the required number of locations resulting in point accumulation, participants will redeem their points for the desired prize from within the passport application. The Department will then send prize recipients the designated prize(s) by mail.

→ **Is there a separate sign up for each passport, or are the passports interconnected?**

Each passport is independent, so participants need to sign up for each pass they wish to use. However, once you've signed up for multiple passports, they can all be accessed through the same home screen application. Point accumulation is collective between all passports to redeem for all Travel South Dakota Rewards.

→ **Who do I contact if I'm having trouble with my passport?**
